**GENERAL INFORMATION:**

The SLEVO by BULLARD BOLLARDS is a robust linear luminaire designed for outdoor environments requiring protection against dust and splashing water. Its minimalist design houses high-efficiency LEDs with a color temperature of 3000K and a CRI greater than 80, ensuring quality illumination. Available in two sizes—approximately 45.5" (21W, 1780 lm) and 89.6" (45W, 3560 lm)—it features a satin-finish PMMA diffuser for uniform, diffuse light distribution. Constructed with a natural anodized extruded aluminum body and die-cast aluminum end caps, the SLEVO combines aesthetic appeal with durability, making it ideal for sheltered outdoor areas such as industrial sites, study zones, and transportation hubs.

**FIXTURE TYPE:**

Pendant

**VOLTAGE:**

110-277V

**MATERIAL:**

Natural anodised extruded aluminium structure.  
Die-cast aluminium end caps.

**IP RATING:**

IP 54

IP54

**WARRANTY:**

LED lighting products are warranted for 5 years.

**DRIVER POSITION:**

Integral

**MAIN FEATURES:**

High visual comfort  
Available in a wide range of finishes  
Functional and minimalistic design  
Shock-resistant construction

**FINISHING:**

Powder painting after passivation.
