GENERAL INFORMATION:

Created by the famous Italian designer Paola Navone, Low Lita armchair immediately becomes one of the most popular products of the whole Bullard Outdoor production. Low Lita is made in polyethylene with the technology of rotational moulding and everybody falls in love with it for its linear and funny design. Its shape and its simplicity make Low Lita armchair suitable for every kind of indoor and outdoor setting, such as gardens, terraces or contract projects with a contemporary style. Its comfortable seat and its essential shape evoke relaxation and leisure. For Low Lita soft cushions in waterproof fabric are available.
