GENERAL INFORMATION:

The Jumbo Corner by Bullard Outdoor is a modular, illuminated bar counter designed by Jorge Najera, ideal for both indoor and outdoor events. Crafted from durable polyethylene, it features a sleek, minimalist design that seamlessly integrates into various event settings. The corner unit can be combined with other Jumbo Bar modules to create a continuous bar setup. It includes provisions for two E26 15W bulbs (not included), transforming it into a glowing centerpiece that enhances any environment. Its modular design allows for versatile configurations, making it an ideal choice for elegant and minimalist events, both large and small.
