General Information:

½ COSO - Compact Powder-Coated Stainless Steel Barbecue

Minimal footprint, maximum efficiency, ½ Coso distills the essence of outdoor cooking into a single, highly adaptable unit. Available in pellet or electric configurations, the pellet system features a single AISI 316 stainless steel burner with an approximate 2-hour burn cycle, switchable between direct grilling and pot cooking, while the electric version runs one glass cooking plate at 120V.

Lightweight, mobile, and intuitive, it is designed for flexibility in contemporary outdoor environments. Mounted on wheels for easy transport.

Material:

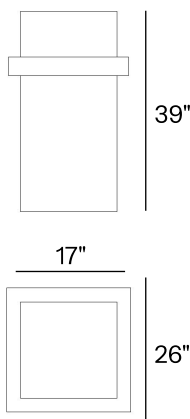

Powder Coated **Stainless Steel** - Barbecue, **Steel** and **Glass** - Plates

Dimensions:

Dimensions: L 26" × W 17" × H 39"

Finish Options:

- Ivory
- Anthracite
- Custom
- Corten Created through a carefully controlled natural oxidation process, manually induced over several days, resulting in the distinctive protective patina.
