NOTES:

GENERAL INFORMATION:

Zoe is a contemporary and sophisticated chair, with a rounded silhouette and minimalist design. Its cozy shape makes it a great aesthetic presence but also it has got a comfortable sitting. Its slightly curved shape gently wraps the body, giving a feeling of extreme relaxation. Zoe is also particularly functional: it is easy to move, but also it is resistant, because of polyethylene. Zoe is suitable both in indoor or outdoor spaces, both for private use and for creating suggestive contract settings and elegant events, especially in its lacquered version.
